ICE PICKS

Extractor makes heavy duty MX Grip Style Ice picks to compliment our RIVERx Ice/Water Rescue boards. Ice picks can come with Lanyards that mount to boards, or wrist lanyards.

FEATURES:

- *Machine Lathed Delrin Body 7/8" Diameter
- * 1/4 inch Diameter Stainless steel Dowel Pin lathe turned to a point
- *O-ring seals to secure ice pick into thru holes on rails of board
- *Dual Ply soft rubber hand grips
- *Coiled urethane safety lanyard with double end brass swivels
